## ANDERSON PLUG COVERS

*SUITS HARDKORR HEAVY DUTY BATTERY BOX*

**WITH BONUS HARDKORR BOTTLE OPENER!**

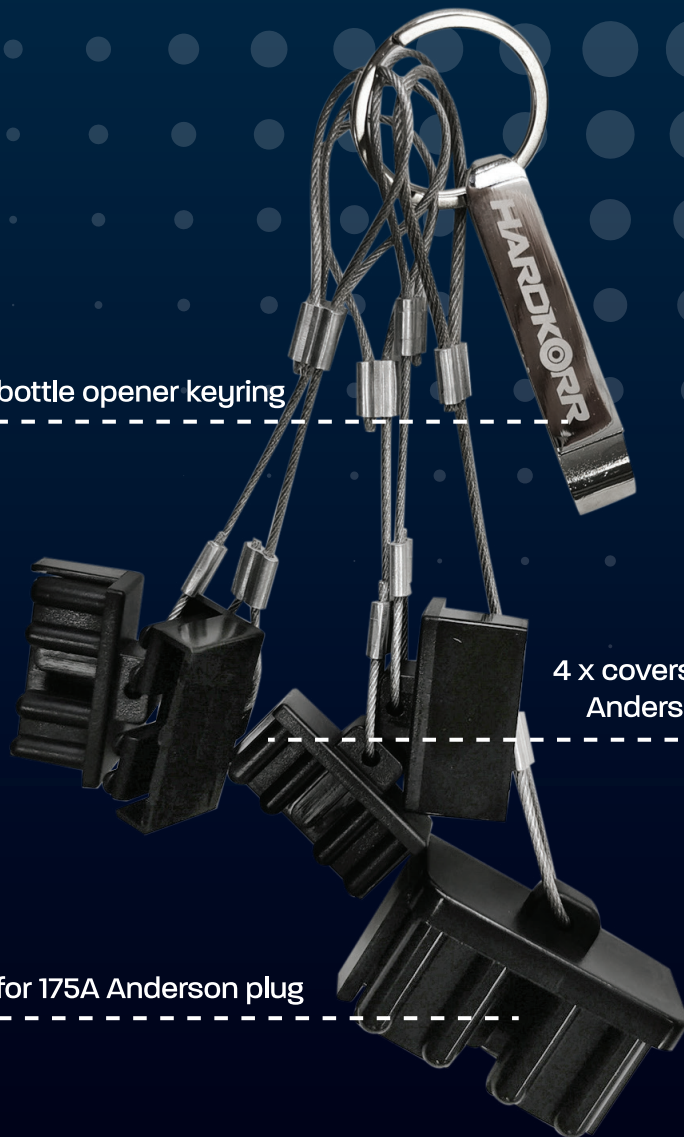

### PROTECTS YOUR PLUGS FROM THE ELEMENTS

Over time, your battery box will probably be exposed to more than its fair share of water, dust and dirt, particularly if you're using it as a portable power station at your campsite.

With these handy covers, you can now protect your Anderson plug ports against ingress from these contaminants, ensuring reliable electrical connections for many years.

It even comes with a handy bonus bottle opener keyring on the end!
