Information

CONTENTS

- 1 x dual colour universal lantern
- 1 x Li-polymer battery (built-in)
- 1 x USB charge cord

CAUTION

Please do not use in extremely cold or hot environments below -30°C or above 60°C.

MAINTENANCE

This lantern is IP66 waterproof, however if it gets wet, dry off after use.

Ensure the USB charging port remains sealed when the unit is not being charged.

HOW TO USE

This lantern can be mounted in two different ways.

- To mount on pole: unhook elastic band, place lantern on pole, wrap band around pole, reattach to hook on lantern.
- To mount to any magnetic surface: simply bring the bottom surface of the lantern close to the magnetic surface.

WARNING

DO NOT disassemble the lantern.
DO NOT attempt to modify the lantern.
